Foreword

Today marks for you, the class of 1950, the first step in a concerted effort to prepare yourselves for a future of security through learning. As freshmen that should be more aware of the need for intelligent leadership and conscientious study, you have chosen wisely a great and growing university which offers the inquiring mind rich experiences in purposeful living which give meaning and direction to the years that follow college life.

With scholarship as a prime requisite for graduation, the university supplements academic studies with many opportunities in extra-curricular activity which benefit and equip one for personal success and national usefulness.

You may feel complimented that the university has written and published this handbook for you, and you alone, as a concise and comprehensive picture of the opportunities for you in extra-curricular life. Once you have established yourselves scholastically, the activities listed in this guide for freshmen are yours to share and participate in for the next four years.

From this day forward, your future success and happiness will depend to a great extent on your initiative and ability to surmount the many obstacles which you will encounter before graduation. This does not mean that you must meet them alone, for as upperclassmen we offer you our friendship and aid when and wherever your needs are greatest.

History

History

*"Hail, Alma Mater
Hail to thee Maryland
Steadfast in loyalty
For thee we stand."*

In these words are echoed the sentiments of every student of the University of Maryland . . . from the beginning of the University's history in 1807 to you of the class of 1950.

When the College of Medicine was founded in 1807 in the City of Baltimore the history of the University began. The Law School was added in 1823, the School of Dentistry in 1882, the School of Nursing in 1889, and the College of Pharmacy in 1904.

Meanwhile, in 1856, the Maryland Agricultural College was chartered, and became the second agriculture college in the western hemisphere. This College, in 1862, became a semi-state institution with the passage of the Land Grant Act by the United States Congress.

The next milestone in the formation of the present University was in 1920 when the Maryland Legislature passed legislation combining the State College and the University of Maryland under the latter name. Thus is the chronological history of our University.

But history is more than dates and facts . . . it is found in traditions that have been built during those 140 years.

Among these are *Testudo*, the *Terp*, proudly guarding the coliseum; *the tunnel* on the library green . . . ask your date about that tradition; the *Rossborough Inn*, symbol of a proud history; *the Hello Habit* . . . Maryland is a friendly school; *the annual freshman-sophomore tug-of-war across Paint Branch* . . . when the water is cold in late fall; *Homecoming*, old grads get together and reminisce; *May Day*, with its queen, maypoles, and Mortar Board tappings; the many *annual dances* now being revived . . . the Calvert Cotillion, the Military Ball, the Interfraternity Ball, and the class proms; *the dorms*, holding the memories of those who have passed before you; *publications*, the *Diamondback* on Fridays, the *Old Line* once a month, and the *Terrapin* every spring. These are Maryland traditions . . . long standing, grown strong through the years, and respected by all Maryland men and women.

History, with its accompanying traditions, has built a spirit that is known and felt only by those who come to Maryland and become a part of that history and tradition. When you feel that spirit you have become a true "Old Liner" . . . it's a good feeling, freshman!

President's Message

In publishing this little booklet, the older students of the University are extending to you a hearty welcome. It is thus made known to you that all members of the Faculty, all students of the University, all Administrative officers are your friends, and stand ready to help you.

Sometimes the impression of a University is that it is a country club, and that students do little more than go to athletic contests, attend movies, dances, and so on. Do not be mislead by such outward manifestations. University life is hard, a dull routine in which men and women work long hours to achieve their educational ambitions.

Remember, though, that no man or woman has ever achieved anything, anytime, anywhere without hard work. The faculty are your friends, and wish to help you, but in the last analysis you will not succeed except by your own efforts. I know that you have come to the University with high ambition and noble resolve, and that by diligence you will translate these into actual achievements.

My office door is always open, and I look forward to greeting you personally.

Sincerely,

H. C. Byrd

President

Welcome New Students

It is a pleasure to welcome the students of the University of Maryland and especially the new students.

Reconstruction offers a real challenge to each American. It is going to be an interesting and exacting period. Cooperation with your fellow students, the SGA, and faculty will help solve the problem on our campus. Allocate your time so that you have a well-rounded plan to train yourself mentally, morally, and physically.

I would be pleased to have you visit with me for a sociable chat or to discuss your personal or general student problems.

Geary Eppley

Dean of Men

Greetings Freshmen

A hearty greeting to all new students enrolling at the University this fall . . . whether recent high school graduates or returned veterans. We hope the years spent on our campus will be happy, worthwhile ones.

Yours is a grave responsibility in these troubled years. If we are to have a lasting peace we must have cooperation and understanding among all nations. We hope that the University of Maryland will offer those experiences in learning to get along with different kinds of people which all of us need if we are to take our place as world citizens.

May the learning be accomplished with real joy and enthusiasm.

Functioning of the S. G. A.

The Student Government Association of the University of Maryland is the official representative body of the undergraduates. Members are chosen from the students, elected by the students, and their primary and sole purpose is to serve the students. A President, the most responsible student officer on the campus, is elected in the spring, along with other officers. The President supervises the work of all organizations, and acts as an ex-officio member of each.

Three main divisions comprise the S.G.A. The Executive Council, supreme governing body, decides student questions and formulates policy; the Men's and Women's Leagues decide on, and enforce, all campus regulations; and the entire student body who may attend meetings and enter into the discussions. Only when the students are alert, cooperative and sincerely interested, can the S.G.A. prove a success. Meetings are held twice a month, or more often.

Student activities are controlled by the S.G.A., and are financed for the most part by an activities fee which is paid by all students in the University. From this fee, the money is prorated to the various activities, and the payment of this fee entitles a student to all the publications, tickets to dramatic and operatic performances, and to most student dances. Class dues are also included in this fee.

Records of each organization, which are always open for inspection, are kept by the administration. Furthermore, each organization treasurer keeps his own records as a check. All bills are vouchered and the accounts are audited by the State Auditor at the end of each year. The first issue of THE DIAMONDBACK prints a full statement of the income and expenses of each group.

Upon receipt of this letter, the Latch Key Society may accept or reject the petitioner's candidacy on the grounds of this communication, or their own findings.

The benefits from the class dues are cumulative; and, unless the amounts specified are paid, students are not entitled to the privileges of their class.

Ratification will normally take place at the time of the election of the Student Government Association unless an emergency ballot is deemed necessary by the Executive Council.

*Note: Under the leadership of Les Daly, last year's SGA president, and the executive council, a movement was launched to revise and amend certain parts of the above constitution. These proposals are now before the student life committee, and will be subject to a student referendum this year. The proposed changes and amendments will be fully reported in the *Diamondback*.

The League is divided into two sections: the Executive Council and the Dormitory Council. The Executive Council is made up of one representative from each class, one representative from the Interfraternity Council, and one elected member from the Dormitory Council. The Executive Council is headed by the League President. A Recording Secretary is elected from these members.

The Dormitory Council is made up of one representative from each dormitory or section. They elect a member from their group and he sits in the Executive Council. Women's League

<i>President</i>	MARGUERITE STITELY
<i>Vice-President</i>	JANICE GARROTT
<i>Secretary</i>	SALLY MORGAN
<i>Treasurer</i>	MARIAN BENSON

Every university has a duty to its resident women students. Rules and procedure must be set up under which an orderly and healthy social life may be pursued with a minimum of regulation. Frequently this function of university administration is a source of unending contention and violation. However the women students of the University of Maryland are indeed fortunate. Women's League is a democratic, self-governing organization with representation from each house for women students on or near campus. Daydodger girls interested in all Women's League decisions other than those regarding campus residence are also a part of its organization. The officers of the league are elected by the women students of the University, and any woman student is privileged to attend league meetings.

Aside from the regular activities of making and enforcing rules, assisting the dormitory housemothers and conducting house meetings, the league, in conjunction with the women of the Junior Class, sponsors the annual May Day celebration.

The league holds its business meeting once each week at which subjects vital to the women of the campus are handled. Rules violations judgments, plans for social calendars, consultations with the Dean of Women's office, and plans for various campus charity drives represent typical business of the organization.

In conjunction with the Dean of Women, the league plays a prime role in the interpretation of campus rules and their application.

Campus Organizations

Student Life Committee

Supplying the connecting link between the student body and the University administration is the Student Life Committee. This committee, appointed by the President, is composed of faculty members who are actively interested in student affairs. In close touch with all activities, the committee acts in an advisory capacity and attempts to improve any unsatisfactory conditions that may exist.

Many and varied are the functions of the Student Life Committee. During freshman orientation week the committee sponsors the Freshman Mixer, a dance to acquaint the new students with each other. In order that the new students may meet the officers of the many clubs and organizations on campus, the Student Government is assisted in organizing a convocation in which the presidents and chairman of all organizations are introduced. The committee also assists Miss Rosalie Leslie, social director, in the management of social affairs and the promotion of a full year social program for the entire campus.

All organizations must be recognized by the Student Life Committee in order to exist and function at the University. In its approval procedure of campus organizations, the committee encourages clubs that will not be in competition with each other.

Dr. Charles E. White of the Chemistry Department is chairman of the committee. Other members of the committee are: Prof. Russel Allen, Dr. Oliver Baker, Dr. Rachel Benton, Prof. Barnett, Dr. Dudley Dillard, Dr. Ray Ehrensberger, Dean Geary Eppley, Dr. Wolcott Etienne, Col. H. C. Griswold, Dr. Susan Harman, Prof. Charles Kramen, Dr. Fred Leinbach, Dr. Peter Lejins, Miss Rosalie Leslie, Dr. Norman Phillips, Miss Alma Preinkert, Prof. James H. Reid, Dean Adele Stamp.

Concerning Clubs

Paralleled with the importance of studies, clubs offer to students diversion, interest, and friendship which in the long run create the more pleasant memories of college life.

For every hobby or physical activity there is a club if there are enough students interested in forming one. The only requirements for affiliation with a social club are personal interest and willingness to work for the group you join plus a small amount of dues to cover costs.

On the following pages there are many clubs listed which are organized to meet the interests of the majority of students.

The friendships alone which you will form through any of these clubs warrant membership in them.

Social Groups

ROSSBOROUGH CLUB

<i>President</i>	BOYD WATERS
<i>Vice-President</i>	JOSHUA MILLER
<i>Secretary</i>	WILLIAM HANCOCK
<i>Treasurer</i>	JOHN COCHRANE
<i>Dance Chairman</i>	JERRY CLEAVER

The Rossborough Club which was founded here in 1891 has been revived after an absence of a few years. Four strictly formal dances with "name" bands are planned for this year. If possible they will be near Thanksgiving, Christmas, George Washington's birthday and Easter. Membership is open to all Maryland men. The tickets are ten dollars plus tax and are bought for the entire season. The club is striving to return to and possibly surpass the high standing of previous years.

ASSOCIATION OF VETERANS

<i>President</i>	WILLIAM KYRIAKYS
<i>Vice-President</i>	CARL ROBINSON
<i>Secretary</i>	FLORENCE KRETCHNER
<i>Treasurer</i>	LEWIS WHITWORTH
<i>Sergeant-at-Arms</i>	WILLIAM HOFF
<i>Chaplain</i>	CLAUDE CALLEGARY

This organization, generally known as the Veteran's Club, has for the past year and a half been much more than just a club. It has been the nucleus for every veteran function on campus. Out of the meetings and staff discussions of the Association have come some of the most outstanding social functions of the year.

The Association social endeavors are only a small part of its activities. Every aspect of the veterans college life has felt the benefits of this well integrated, fast acting organization. All veterans should become members and give this, their own organization, their full support.

INDEPENDENT STUDENT'S ASSOCIATION

<i>President</i>	CLAUDE CALLEGARY
<i>Vice-President</i>	SALLY CONLON
<i>Secretary</i>	BARBARA BACCOFF
<i>Treasurer</i>	DEBBY KRAUSE

One of the most outstanding groups on campus, the Independent Students, are organized so that all students not affiliated with social fraternities or sororities may feel like a member of the campus.

The activities of this club are many and varied. Each fall there is a welcoming party for all freshmen which will be held this year on Friday, September 27. An annual barn-dance, boat trip and carnival are for the entire campus to attend. For members of the club bowling, ice-skating, lectures, and social get-togethers are held.

For all students not planning to join a sorority or fraternity, the ISA is an important club to consider.

DAYDODGERS' CLUB

<i>President</i>	BILL ERMANTRAUT
<i>Vice-President</i>	LOIS FORRESTER
<i>Secretary</i>	ELEANOR PARKER
<i>Treasurer</i>	PAT BROWN

Organized to serve the needs of students who commute to the University, the Daydodgers' Club offers a ride service, arranges social events, and sponsors intermural sport squads for daydodging students.

This Club offers a place for such students to discuss their special problems and, with the aid of the Student Government and the University Administration, find a solution for these problems.

COSMOPOLITAN CLUB

(Officers to be elected)

Organization of the Cosmopolitan Club was brought about by the desire of the students on campus to create interest and participation in the cultural activities presented by the University, also to further enjoy those cultural advantages offered by the nation's capital. Many speakers and performances on campus are sponsored by the club.

Students who would like to join the Cosmopolitan Club are invited to show their interest by regularly attending the meetings.

INTERNATIONAL RELATIONS CLUB

(Officers to be elected)

The IRC, under the auspices of the Political Science Department, brings outstanding speakers in all phases of contemporary life here to appear before the group. Increasing the students' interest, knowledge and awareness of international conditions is the club's purpose.

RED CROSS UNIT

Chairman JASMINE ARMSTRONG
First Vice Chairman CAROL COOK
Second Vice Chairman JEANNE ROBERTSON

As a coordinating link between the national Red Cross and the college, the Red Cross unit on campus has assisted national drives for Christmas and Thanksgiving funds and any project promoted by the county unit.

Anyone may be a member of this organization and become a worker in one of its functions which includes rehabilitation work at Army Camps, staff assistants to the Hyattsville bureau, and membership drives on campus.

RIDING CLUB

President ANN FENNESSEY
Vice-President LOUIS BITTER
Recording Secretary MARGARET AITCHESON
Corresponding Secretary BETTY WILSON
Treasurer SALLY PUYEAR

Last May the Riding Club renewed the tradition of sponsoring its annual horse show. One of the largest clubs on campus, it is composed of the students who enjoy riding. Those who do not know how to ride may join and learn, for in addition to moonlight rides, hunts and picnics, the club holds classes for beginners.

TERRAPIN SWIMMING CLUB

(Officers to be elected)

As one of the reactivated clubs on campus, the Terrapin Swimming Club plans to offer its members an active schedule. Besides the weekly swims and life saving classes, water safety demonstrations and diving exhibitions are planned. The social season will be climaxed by the annual beach party and dance. All students who like to swim are invited to join.

CHESS CLUB

(Officers to be elected)

Last year the Chess Club was merely an informal group; this year, however, a Chess team is being formed to compete in intercollegiate competition. Those interested should contact Robert Wilkinson.

Departmental Groups

PSYCHOLOGY CLUB

(Officers to be elected)

The Psychology Club which was organized in the Spring of 1944 has a threefold purpose: It offers the student the regular association with the other students of psychology, it gives the student an opportunity to apply his knowledge to problems which he may face in everyday life, and it provides an opportunity for the student to meet outstanding personalities in the field of psychology.

Psychology majors only may hold office. However, anyone who is interested may attend the weekly meetings.

HOME ECONOMICS CLUB

<i>President</i>	CHARLOTTE CONWAY
<i>Vice-President</i>	PAT SCHERTZ
<i>Secretary</i>	MARIANNE TRIMBLE
<i>Treasurer</i>	DICKIE ASHLEY
<i>Program Chairman</i>	NANCY SIMMONS

The Home Economics Club was organized to support and create interest in home economics and its allied subjects. The Club meets every other Thursday and each year plans an annual fashion show. The show last year was given by the Simplicity Pattern Company with members of the club as models. Lectures are given on such subjects as personal grooming, interior decorating and make-up.

GRADUATE CLUB

President MARGARET DOWNS
Vice-President BRUCE JOHNSON
Secretary-Treasurer FRED JOHNSON

The Graduate Club brings together the graduate students of the different colleges and departments in one organization to exchange ideas and enjoy a varied program.

The club's objective is to take the individual graduate out of his particular field for a few hours in order to broaden him intellectually and socially through contact with others working at the same task.

The faculty advisor is Dr. C. O. Appleman, Dean of the Graduate School.

SOCIOLOGY CLUB

(Officers to be elected)

In 1944 the Sociology Club was organized to unite sociology majors, acquaint them with well-known sociologists, and to discuss pertinent issues. Only sociology majors and minors may be elected to membership, but all others interested may attend the meetings. Dr. Lejins is the club's faculty advisor.

STUDENT AFFILIATES OF THE AMERICAN CHEMICAL SOCIETY

President SHIRLEY HODSON

(Officers to be elected)

Taking its place among the other societies on the Maryland campus the Student Affiliates of the American Chemical Society, which is the newest of the Old Line societies, hit its stride last semester as it incorporated into its social program the sponsoring of lecturers at their regular business meetings.

Membership is open to all chemistry majors and chemical engineers, however chemistry minors are welcome to attend all meetings which are held twice each month.

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

President RICHARD LLOYD
Vice-President ARTHUR MCDEARMON
Secretry-Treasurer HEWITT ROBERTSON

AICE, the American Institue of Chemical Engineers, a society for students of chemical engineering, began its existence six years ago as the Chemical Engineers Club. In 1941 the club was accepted into the AICE, a national professional chemical engineering society, as a student chapter.

This term the society will attempt to revert back to its prewar status in the field of social programs by having a more select group of speakers at its bimonthly meetings. Since the beginning of hostilities abroad the organization has held its meetings in joint sessions with the three other engineering clubs on campus.

Membership into the AICE is open to senior, junior, and sophomore chemical engineering students.

AMERICAN SOCIETY OF CIVIL ENGINEERS

President BOB VARNDALL
Vice-President DANNY BOOTHE
Secretary REGINALD HALL
Treasurer DAVID POHMER

Having the distinction of being the oldest of the six professional engineering societies, the ASCE is also one of the most active of all the engineering clubs, that is on the Maryland campus. The Maryland chapter has in line with its social program not only its monthly meetings but also regional conferences with the other nearby ASCE chapters. As well as the local and regional meetings, the club also brings well-known speakers in the field of civil engineering to lecture before its members.

All civil engineering students of the senior, junior and sophomore classes are eligible to join the Maryland chapter.

The University Theatre is a comparatively new organization at the University of Maryland. It was formally organized in the fall of 1945 by Dr. Ray Ehrensberger, head of the Speech Department. This season the Theatre Staff, the Footlight Club, and a Student Staff produced three highly successful shows. The opening production was Noel Cowards' *Blythe Spirit*, which was performed four consecutive nights, from November 14 through November 17, 1945. For the second production F. Hugh Herbert's delightful hit comedy *Kiss and Tell* was selected. The personnel of the University Theatre decided to stage a five night run for this play. It was presented to an enthusiastic student and faculty audience from April 2 through April 6, 1946. The third and final dramatic presentation of the season was the fascinating and intriguing *Angel Street*, written by Patrick Hamilton. There was a capacity audience for each of the five nights of production.

The Theatre Staff has planned a tentative production schedule for the 1946-1947 season. They hope to produce four or five plays in the University Theatre during the entire season. *Claudia*, *The Little Foxes*, *Yes, My Darling Daughter*, or any other current Broadway productions that are released for student production, will be the possible selections for this season. A period play, possibly one by Moliere, will also be presented.

Tryouts for these productions are announced approximately five weeks before play production, and any interested student is cordially invited to come out for the tryouts.

FOOTLIGHT CLUB

<i>President</i>	JEAN ROBY
<i>Vice-President</i>	CHARLOTTE FRANK
<i>Secretary</i>	LOIS FRITZ
<i>Business Manager</i>	BETTY RITTER
<i>Treasurer</i>	DOROTHY McCASLIN
<i>Librarian</i>	BERTHA WILLIAMS
<i>Faculty Advisor</i>	DR. RAY EHRENSBERGER

The Footlight Club has developed from the nucleus of an extra-curricular club for undergraduate students, who produced and staged three or four plays each scholastic year, into a composite group of students who have proved their ability in acting, interpretation, and stage technique. Membership in the club is available to those students who have demonstrated their ability by appearing in University Theatre productions, or who have proved their sincere interest by participating in conscientious work back-stage. Upon recommendation, a prospective member's name is submitted to members of the Speech Department staff, who act in the capacity of an advisory board for University Theatre productions, in consultation with the Executive Committee of the Footlight Club. After final approval of both of these groups the newly elected members of the Footlight Club are entitled to all privileges of membership.

The Footlight Club undertakes several projects each year in connection with the ultimate purpose of the University Theatre. This purpose is to provide the University of Maryland with experienced student actors and better facilities with which to present a well-rounded dramatic schedule each year. Club members also participate in the production of the plays. They head the house committees and organize the back stage work in cooperation with the faculty technical advisor. The members, of course, are eligible to try-outs for every play produced in the Theatre.

Music

STUDENT MUSICAL ACTIVITIES COMMITTEE

SMAC is composed of the president and treasurer of each of the four musical clubs: Women's Chorus, Men's Chorus Club, Clef and Key, and the Orchestra. The group budgets and directs the activities of each organization with the supervision of Prof. Harlan Randall, faculty adviser.

CLEF AND KEY

<i>President</i>	EDITH KRENLICH
<i>Vice-President</i>	WALTER BEAM
<i>Secretary</i>	DOROTHY DANSBERGER
<i>Treasurer</i>	LOIS FORRESTER

Emerging from the University of Maryland Opera Club, Clef and Key provides entertainment for students in drama as well as music, through varsity and variety shows.

The Clef and Key shows are completely cast, directed and produced by the members. Tryouts are held for every production of the club and membership entails participation, in any capacity, in one show. Professor Harlan Randall is the faculty advisor for the group.

ORCHESTRA

(Officers to be elected)

Maryland's student Orchestra is noted for its many appearances during the year. On each graduation day program, as well as at many student assemblies, the Orchestra has played a major role. The May Day fete would be incomplete without the classical and semi-classical renditions given in conjunction with the other musical organizations. The members of the Orchestra also play at various campus functions: dramatic productions and teas. Prof. Harold Yeager directs the Orchestra, assisted by J. M. Power.

MEN'S CHORUS

<i>President</i>	NICHOLAS ROMANELLI
<i>Vice-President</i>	RAYMOND SPESSARD
<i>Secretary</i>	REGINALD HALL
<i>Treasurer</i>	ROBERT BAYLOR
<i>Librarian</i>	BERNARD JOHNSON

Under the direction of Professor B. Harlan Randall, the Men's Glee Club is again coming into its own after a two year absence from the musical activities of the campus.

As a member of the Maryland Chapter of the Associated Choruses of America, the Glee Club has participated in programs under the auspices of this organization singing with such well-known personalities as John Charles Thomas.

Besides presenting its own recital for the University, the club, in conjunction with the Women's Chorus sings in community programs at the University throughout the year.

WOMEN'S CHORUS

<i>President</i>	LOIS FORRESTER
<i>Vice-President</i>	BARTON HALL
<i>Secretary</i>	RAMONA RANDALL
<i>Treasurer</i>	FAY FRIEDMAN
<i>Librarian</i>	JEAN MCCOMAS

Outstanding at Maryland, the Women's Chorus is featured in many concerts throughout the year.

The Chorus, under the direction of Professor B. Harlan Randall, takes many trips to sing at such places as the Naval Academy at Annapolis, and the State Convention of Women's Clubs in Baltimore. The Chorus also has the distinction of appearing with such stars as the Metropolitan Opera Company soprano, Mona Paulee.

"The Hour of Charm" presented the Chorus in its own program, while, in conjunction with the University orchestra, the members supplied the music for the traditional May Day fete.

ART CLUB

<i>President</i>	JANE HERSHEY
<i>Vice-President</i>	MARJORIE KEEHN
<i>Secretary</i>	CHARLES THOMPSON
<i>Treasurer</i>	ANN DICKENSON

Although only in its second year of existence, the Art Club has been extremely active on campus.

Organized to promote artistic activity among the students many meetings have been spent sketching models provided by the Club. Sketching hikes are also taken to provide views of nature.

The various political campaigns, dances and meetings on campus are advertized through extensive poster distribution; most of these posters are drawn by members of the Art Club.

Decoration is also one of the many sidelines of this versatile group. The Club has had charge of decorations for Veterans Club dances as well as many of the other campus dances.

MODERN DANCE CLUB

<i>President</i>	SALLY DAVIS
<i>Secretary</i>	ELLEN PENNYFEATHER
<i>Treasurer</i>	VIVIAN ROSE

The Dance Club gave a large recital last year as well as performing for the May Day festival. Created to serve those interested in the study of dance technics and arouse an interest in modern dance among the student body, the club holds tryouts for new members at the beginning of each term.

Religious Life

Religious Life Committee

Religious activities on the Maryland campus are coordinated through the Religious Life Committee consisting of both student and faculty representatives. This committee is charged with the guidance of campus denominational groups.

The initial activity of the Committee is the annual religious life reception open to all new and old students. The reception this year will be held Sunday, September 22, in the recreation hall of Anne Arundel from 6:30 to 9 p. m.

The traditional playing of Christmas carols from the tower of Morrill Hall is carried out by the members of the Committee, who also arrange observances of religious holidays.

Currently, the Committee is formulating plans for the construction of a University interfaith chapel. These plans were presented to Dr. Byrd and the Board of Regents and, as a result a committee was appointed by this group to determine the needs of the campus which the erection of the chapel would attempt to fulfill. Through this report it was decided that the chapel, in addition to being used for interfaith and baccalaureate services, vesper and musical programs, it could also provide offices for counseling by the student ministers of each faith, as well as become the center for all interdenominational religious activities.

The student religious council which is composed of the presidents of the campus religious organizations holds meetings when they are deemed necessary and conducts the monthly interfaith meetings.

The faculty committee consists of Rosalie Leslie, chairman; Dr. Charles E. White, Dr. Wesley M. Gewehr, Harlan Randall, James H. Reid, Marion Johnson, Edna McNaughton, and Arthur Hamilton.

<i>Associate Editor</i>	NANCY SIMMONS
<i>Women's Editor</i>	TERRY SPEAKER
<i>Business Manager</i>	JACK CLARK
<i>Sports and Military Editor</i>	FRED DEMARR
<i>Circulation Manager</i>	CLAUDIA DE LA VERGNE

A far cry from the *Reveilles* and *Terra Mariaes* which appeared in the 1920's and 30's, the *Terrapin* offers within its binding the widest possible coverage of each year of college life. Acting as both a pictorial and a written record of the year's activities, the *Terrapin* is awaited by the student as one of the highlights of the year.

Attractively and novelty bound and containing informative articles with a variety of photos, the yearbook requires almost a full year of preparation prior to publication. Included are photos of student life on campus, color drawings, and many interesting features.

Like the *Diamondback*, the *Terrapin* is financed by the Student Government Association which last year appropriated over \$11,000 for the publication.

The *Terrapin*, of necessity, has a large and hard-working staff. Those interested in yearbook work should report to the *Terrapin* office in the basement of the Administration Building. Appointments will be made in the same manner as for other publications.

THE DIAMONDBACK

Editor-in-Chief BILL McDONALD

(Staff to be appointed)

This year the student newspaper *The Diamondback* goes into its twenty-sixth year of publication. Since 1920, the DBK, as it is affectionately nicknamed, has served the student body of the University, expressing student thought and publicizing student activities, while it also served as an outlet for students interested in journalism.

First appearing as a tabloid and later growing into a bi-weekly publication, *The Diamondback* was issued once a week during the war and last year. The staff plans to publish the paper twice weekly as soon as possible.

Membership on the staff is open to anyone who shows interest and some ability in collegiate newspaper work. At the beginning of each semester, incoming students who are interested have an opportunity to meet the staff and to attend *Diamondback* training classes. No previous experience is necessary.

The *Diamondback* is sponsored and financed by the Student Government Association and is a member of the Associated Collegiate Press of the National Scholastic Press Association. Work is not restricted to the editorial field alone since there are also positions open on the business and advertising staffs. Offices are located in the basement of the Administration Building.

<i>Business Manager</i>	DUKE KAZLAUSKAS

<i>Humor Editor</i>	SHELDON AKERS
<i>Art Editor</i>	ART COSING

Absent from the campus during the war, the *Old Line*, monthly student humor magazine, reappeared in early 1946, publishing two issues during the spring semester.

The 32-page magazine is a medium through which literary or art-minded students may express themselves by writing or drawing. In the past, the *Old Line* has presented only the "cream" of student creativeness and this year it aims to be "bigger and better than ever."

Candidates for the staff should report to the *Old Line* office in the basement of the Administration Building. Appointments will be made in the same manner as on other publications.

THE "M" BOOK

Published annually, the *M Book* is the official handbook for freshmen. In it is found information concerning every phase of campus activity and every type of campus organization.

The "Freshman Bible" or *M. Book*, is designed to familiarize new students with the University and its workings; as well as to serve as a guide by which students may adjust themselves to college life.

The *M Book* staff is chosen at the end of each school year. Major positions are editor and business manager.

(Student Officers to be selected)

In keeping with the University's expansion program, a College of Military Science, Physical Education, and Recreation has been established for the purpose of providing greater opportunities for students wishing to major in military science and physical activities. The College is under the direction of the Military Commandant and the Head of the Physical Education Department.

The basic ROTC course is required of all male students attending the University who have not completed basic training in the armed forces of the United States. In addition to this, four semesters of physical education are required. Students must successfully complete this course in order to receive their academic diplomas.

Advanced ROTC is open to students who have completed the basic course or its equivalent in the armed forces. The applicant must be at least 19 years of age when he begins the course and must pass a physical and other qualifying examinations. The cadets for this training are then selected by a military board from among the applicants who have met the other requirements.

The advanced students serve as officers of the ROTC regiment. Upon successful completion of the advanced course and upon recommendation of the Commandant and the President of the University, an advanced student will receive a reserve commission of second lieutenant in the Infantry. Commissions in the Signal Corps will be awarded to advanced students who major in electrical engineering.

The officers for the ROTC regiment will be appointed by the Military Department this Fall.

Ever since its beginning in 1916 the ROTC unit at Maryland has won the coveted War Department rating of "generally excellent." This award is worn by all cadets in the form of a blue star on the sleeve of their uniform blouses.

In 1944 the Military Department moved into the New Armory which is one of the finest in the country. Besides a modern 10 point rifle range and main drill floor, it houses the military offices, lecture rooms, and numerous military property rooms. The Physical Education Department also maintains offices and locker rooms in the armory.

ROTC BAND

The ROTC Band is under the direction of Mr. Harold Yeager of the Music Department. All members of the ROTC who can play a musical instrument are eligible for membership and are encouraged to join. The band rehearses during military period and an extra scholastic credit is given to the members. Martial music for parades and special occasions is also furnished by the band. The Military Department plans to enlarge the size of the band to its prewar strength.

The Greeks

Fraternity Criteria

(This article is printed by request of the Interfraternity Council)

The National Interfraternity Conference was founded in 1909 for the purpose of discussing questions of mutual interest and to make such recommendations from time to time as it deems wise. It is composed of sixty-four national fraternities which meet strict qualifications for membership. Its annual conferences are attended by about three hundred and fifty officers and alumni of the various fraternities and about fifty deans of men and college presidents. It sponsors the National Undergraduate Interfraternity Conference, composed of delegates from the Interfraternity Councils on campuses all over the United States and Canada, which meets in conjunction with the Conference itself. It publishes a Year Book, the report of its annual meeting, in which much valuable information about college fraternity life is included.

In the fall of 1934, the Executive Committee of the Conference and the Educational Advisory Council reduced to writing the following criteria in order to advance further co-operation between fraternities and educational institutions. The statement was subsequently approved by the American Association of Deans and Advisers of Men and by the Conference itself. It reads as follows:

We consider the fraternity responsible for a positive contribution to the primary functions of the colleges and universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectual, physical and social. Therefore, we declare:

1. That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters.

2. That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual.

3. That the fraternity should promote conduct consistent with good morals and good taste.

4. That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement.

5. That the fraternity should maintain sanitary, safe and wholesome physical conditions in the chapter house.

6. That the fraternity should inculcate principles of sound business practice both in chapter finances and in the business relations of its members.

These criteria should be applied in close co-operation with the administrative authorities of the institutions. Detailed methods of application will necessarily vary in accordance with local conditions. It is the purpose of the National Interfraternity Conference to offer detailed suggestions, after further study and investigation, regarding practical steps to make this co-operation effective.

Fraternities

The aim and dream of many a freshman is to attain membership in a great college fraternity. To many, this dream means luxury of living, a sense of superiority, a good time among "brothers", and a shining pin to show the home folks.

A fraternity or sorority should mean much more. It should mean closer companionship with other men or women with similar ideals who are pledged to raise the moral, educational, and social standards of the group.

In a few weeks many will have the opportunity to join one of these Greek letter organizations. The opportunities for you to benefit from these affiliations are numerous, but please keep in mind:

That your decision will probably have more effect on your future life than any you have ever made in the past.

That you are not an outcast if you do not receive the bid you wish, or any bid—you may be too intelligent instead of too backward to interest that particular organization.

That many of the potentially fine men have been completely buried in their fraternities.

That men in other fraternities may be worth cultivating or keeping as friends. Some of your best friends in the Freshman Class will not be in your fraternity. Do not lose them.

That you are entitled to know the financial set up of the fraternity that rushes you.

That it is neither any credit to you nor to a fraternity to obligate yourself before the official pledge day.

And that your success or failure does not rely on whether you make a fraternity or not, but on the initiative and perseverance you show in either situation.

Interfraternity Council

President DUKE KAZLAUSKAS
Vice-President JACK CLARK
Secretary.....RICHARD GUMPPER
Treasurer MAGUIRE MATTINGLY

The Interfraternity Council was founded in 1926 for the purpose of maintaining harmonious relations between the University and the fraternities and among the fraternities themselves. Supervision of rushing and improvement of the fraternity system at Maryland are the Council's specific duties.

Membership on the Council consists of the presidents or an elected delegate from each of the twelve fraternities.

The Council sponsors dances which are recognized as campus traditions. One is planned for the Fall term and another for the Spring term. Only fraternity members and pledges are entitled to attend.

The Council also sponsors an interfraternity athletic program. The Randall Memorial Cup will be awarded to the fraternity winning the annual track meet in the spring of 1947. Interfraternity scholarship and activities cups are also presented each year to the fraternities outstanding in these fields of endeavor.

Panhellenic Creed

“We, the fraternity undergraduate members, stand for good scholarship, for guarding of good health, for wholehearted cooperation with our college’s ideals for student life, for the maintenance of fine social standards, and for the serving, to the best of our ability, of our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnae days is the ideal that shall guide our chapter activities.

“We, the fraternity women of America, stand for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life. To us, fraternity life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.”

Sororities

Panhellenic Council

<i>President</i>	PHYLLIS BISCARR
<i>Vice-President</i>	PAT BENINGTON
<i>Secretary</i>	SALLY HEUBL
<i>Treasurer</i>	POE EWELL
<i>Deputy Officer</i>	MAXINE JONES

The purpose of the Panhellenic Council is the maintenance of a wholesome sorority spirit and inter-sorority relations within the University, to further sound scholarship and high social standards, and to compile rules governing rushing, pledging, and initiation.

Council membership is composed of two delegates from each campus sorority. Meetings are held weekly, although the president is privileged to call special sessions at the request of any representative. The offices are rotated among the sororities in the order of their establishment on campus.

In addition to formulating rush rules, Pan-hel is responsible for their enforcement. In the event of violations of the regulations, the Council decides the penalty and its duration.

Included in the Panhellenic projects are scholarships for women, a clothing drive, orientation for pledges, and several lectures and round table discussions. In March, 1945, a workshop attended by National Panhellenic representatives was held for the purpose of making necessary revisions in the local Pan-hel Association.

PANHELLENIC RUSH RULES

1946-1947

I. Formal rushing:

- A. Shall be that period beginning with the open house teas and continuing until pledging.
- B. A rush fee of \$1.00, which must be paid by September 9, shall be required of all girls who wish to be rushed.
- C. New students who do not meet this deadline must wait for the informal rush period.

II. Panhellenic Council Meeting:

- A. Shall be conducted to explain the rushing procedures and regulations to the Freshman women.
- B. The meeting shall be held in the Agriculture Auditorium at a time specified by the President of the Panhellenic Council and the Dean of Women.
- C. All Freshman women may attend this meeting.

III. Campus and Dormitory Restrictions:

- A. Beginning from the time of the arrival of the new students and up until pledging, a greeting of only "hello" shall be permitted. (If a new student asks a sorority girl a question, the sorority girl shall reply with the impersonal answer, "I'm sorry, but since this is formal rushing, I cannot discuss the matter with you").
- B. No new students shall be allowed in sorority houses during formal rushing, except during specified rush functions.
- C. All sorority girls living in dormitories, dormitory annexes, and off-campus houses shall be required to reside together or in large groups in a specified place during the formal rush period.
- D. No sorority women shall be allowed to enter the dormitories where the new students are residing, unless she is living there also.

- E. No rushee shall be "treated" outside of the sorority house.
- F. Sorority women shall not "double date" with new students.
- G. Sorority women shall not call for rushees nor return them to their residences.

IV. Panhellenic Secretaries:

- A. These shall be not less than two sorority women who are not affiliated with any campus sorority.
 - B. Shall be available to the rushees every day during formal rushing to answer questions pertaining to rushing.
- V. All freshman women and other women students "going out" for rushing shall be thoroughly familiar with the rush rules and should govern their actions accordingly.

Athletics

Sports

This first year of peacetime athletic competition finds varsity sports in a period of rejuvenation at the University of Maryland.

Three of the school's traditional athletic leaders returned last year from service with the armed forces to take up the job of carrying the school through the coming sports boom. Geary Eppley, director of athletics, Harvey Miller, boxing coach, and Jack Faber, lacrosse coach, already have helped set the wheels rolling in the giant sports program planned here.

Clark Shaughnessey, returning to Maryland following three years at the University of Pittsburgh, resumes his job as head football coach.

Maryland teams compete in the Southern Conference, an organization dedicated to the promotion and betterment of all college athletics, and field teams in every major sport.

In addition to the varsity sports program, Maryland during the war became a leader in physical education for students and is broadening that program this year.

Under the direction of Dr. Rachel Benton, a broad women's physical education program is in effect, and many of the coeds' extra curricular activities are handled through her department.

As soon as building materials are available and the necessary academic and student housing buildings are completed, it is the proposal of University officials to build a completely modern athletic plant. A stadium, seating 32,000 people, and a field house, seating 14,000 for boxing and basketball, are on the present building schedule.

Maryland has the materials for a great varsity sports program and, under the leadership of Dr. Byrd, long a supporter of Maryland athletics, promises to rise rapidly to the front.

Southern Conference

Since the University of Maryland is a member of the Southern Conference, it is natural for incoming freshmen to ask, "just what is the Southern Conference?" The following is written to help clarify this question.

The Southern Conference is the result of a movement which was started years ago by the Southern Intercollegiate Athletic Association to get together, into one compact organization, those Southern institutions which were progressive enough and numerically large enough to adopt the rules and regulations long in force in the North, East, and West.

The first attempts bore no fruit but the seed had been sown in good soil. An organization was effected at Atlanta, Georgia, in 1921 and the fundamental principles on which the Conference should operate were laid down. A draft of these rules and regulations was submitted to the faculties of the institutions represented at the meeting, and was ratified and adopted by fourteen colleges.

Included in the Southern Conference are the states of Maryland, Virginia, North Carolina, South Carolina, and the District of Columbia.

The purpose of the Southern Conference is the promotion of intercollegiate athletics in every form and to regulate them by wise and prudent measures in order that they may improve the physical condition and strengthen the moral fiber of students and form a constituent part of that education for which universities and colleges were established and are maintained.

All athletics at Maryland operate under the direction of the Athletic Board composed of Geary Eppley, chairman, Dr. William Kemp, Dr. William Supplee, Dr. Ernest Cory, and Col. Harland Griswold.

VARSITY SPORTS

Varsity competition at the University of Maryland is under the direction of Geary Eppley, director of athletics, and is carried on in every major sport. These being football, basketball, boxing, baseball, track (indoor and cross country), lacrosse, golf, rifle, and tennis. In the past wrestling and soccer were also on the list of varsity sports at the university but during the war years these were curtailed. This year play in soccer and wrestling may be resumed.

FROSH SPORTS

Though the war has given the green light to varsity sports at the home of the Terps, the red light is still shining as far as the freshmen sports parade is concerned. Not until the government's draft situation is settled will Maryland again foster freshmen sports.

INTRAMURAL SPORTS

In addition to the varsity sports program a vast intramural program is also carried out at Maryland under the supervision of the Physical Education Department. All students are eligible to compete in a variety of tournaments, including touch football, basketball, softball, boxing, ping pong, tennis, track and a host of others.

Intramural competition is held by members representing the dormitories, fraternities, sororities, independents, as well as the daydodger groups.

FOOTBALL

Coach Clark D. Shaughnessy

Assistants Al Heagy

Al Woods

Herman Ball

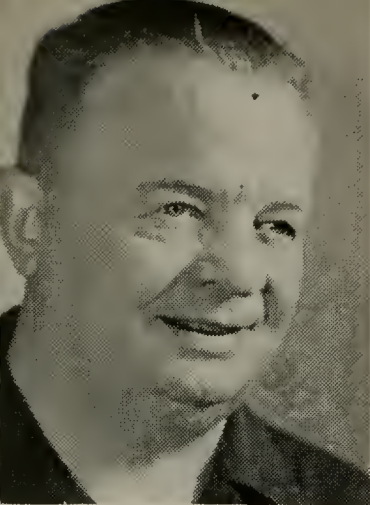

Clark Shaughnessy, master of the T formation, returns to College Park this year to resume duties he abandoned several years ago when he became head coach at the University of Pittsburgh.

Shaughnessy will find on hand a picked squad of grid-ders which Paul Bryant, the 1945 Terp mentor, brought with him from the North Carolina Preflight school, and with which he was able to win six of last year's games, losing two and tying one. Add to Bryant's veterans returning Liners Jack "Reds" Wright, Hubey Werner, Bob James, and possibly others, and Old Line rooters have a bright picture.

BOXING

Coach Harvey L. Miller

Maryland boxing is on the upswing again with the return of Heinie Miller as head coach. Miller took over the squad last season after five years of active duty in the Marine Corps and after a slow start the Terps wound up the year with a record of 3 victories against 5 defeats.

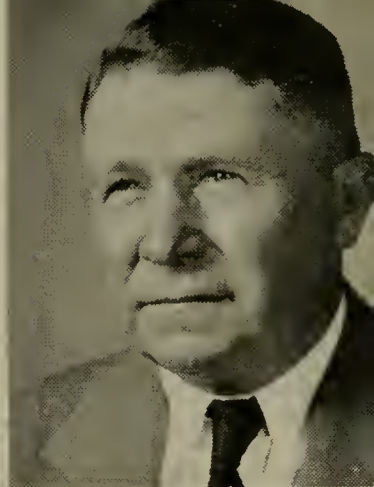

Veteran ringman Tommy Maloney, the team captain, and Ken Malone and newcomer Phil Rogers formed the nucleus of the club, with the latter proving one of the gamest men seen in a Maryland ring. Maloney and Malone will be on hand to carry Liner colors this year, but the rest of the squad is a weighty problem.

BASKETBALL

Coach Burton Shipley

Burton Shipley, an old standby in Maryland's coaching system, came up with one of the surprises of the Southern Conference basketball season in his 1945-46 Terrapins. Shipley guided the team to an impressive record and advanced into the semi-finals of the Conference championship.

LACROSSE

Coach Jack Faber

Assistant Al Heagy

Jack Faber returned during the 1946 season to send a Terrapin squad back onto the fields they so consistently dominated in prewar years—lacrosse, the game the American Indians founded.

Recognized in the late thirties as the outstanding collegiate lacrosse power in the nation, Maryland faced the 1946 schedule with little other than reputation, the best coach in the business, and a sprinkling of experienced players. Faber will find Bob Feters and Jack Hoyert, stars of the 1946 club, missing come first practice, but in their place will be a thirty-player squad which has one year in his tutelage, and which promises an improvement over this year's showing.

Coach Burton Shipley

Given a wealth of baseball material, Burton Shipley came up with one of the soundest diamond squads in Maryland's history during the 1946 season. A flood of returning veterans boosted the Terps to a season record of twelve won and five lost, and most of the standouts will return next year to give Shipley one of the most promising squads in modern times.

TRACK

Coach Jim Kehoe

Maryland colors returned to Track competition last season under the guidance of Jim Kehoe, one of the Terrapin's all-time great middle-distance men, and the Liners won three out of six out door meets.

Led by Ed Matthews, their crack quarter-miler, the Terps competed in the Southern Conference indoor meet. The event marked the first appearance of Liners on the boards since the war began, and Kehoe contemplates full-fledged competition indoors and cross-country this year.

RIFLE

Coach Col. H. C. Griswold

Possessing what is considered the finest indoor rifle range in the country (according to the National Rifle Association) the University of Maryland riflemen under the direction of Col. Harland Griswold assisted by Sgt. Fay Norris went through their season with an impressive record of 23 victories as against 13 setbacks in postal matches. In shoulder to shoulder competition the Terps won seven contests and lost five.

In addition to the regular intercollegiate competition the Old Liner's came in third in the Hearst Trophy contest, second in the Service Command Matches and ranked among the top ten teams in the country in the National Intercollegiate Team Matches.

The rifle range is located in the basement of the new Armory and is of the most modern design. Through the cooperation and promotion of Col. Griswold, the range has developed into one of the centers of rifle activity for this area and is the scene of outstanding meets of eastern riflemen.

Members of the rifle team receive the same varsity "M" awards as the other teams. All male students, whether taking ROTC or not, are eligible to tryouts for the team. Exact dates for tryouts will be announced by Col. Griswold and will be published in the *Diamondback*.

TENNIS

Coach Doyle Royal

With the appointment of Doyle Royal as the Old Liner's new tennis coach the Terps were once again represented in Southern Conference tennis competition.

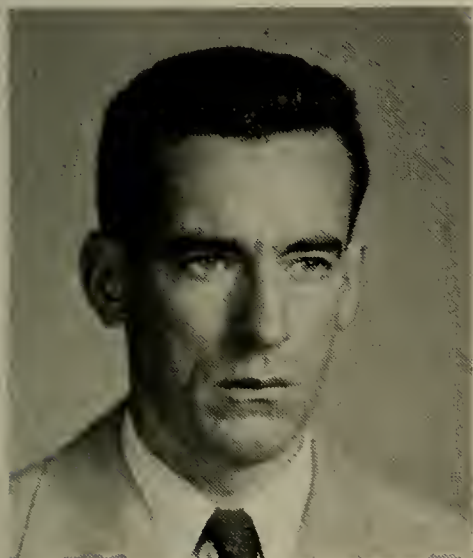

The team composed of five purple heart men, of which three also wore the silver star, went through the season to chalk up five wins as against three defeats. Big guns of the team were DeWitt Smith and Ed LaBerge.

This year Coach Royal will have only Ed LaBerge as the power man on the squad as Smith will be leaving, but still Coach Royal, with his eyes on "two promising members in the making," believes the team will be greatly strengthened by the recent influx of the men students on the campus.

Intramural Program

James Kehoe, Men's Director

Dr. Rachel Benton, Women's Director

During the war years when physical fitness of every person in America was being stressed, Maryland University took the lead in building one of the finest intramural athletic programs in the nation. Under the direction of Dr. Rachel Benton and Jim Kehoe, the men's and women's athletic departments are carrying on that program with even wider participation than was thought possible.

The games are played on the athletic fields and in the field houses and gymnasiums of the University under the eyes of trained officials.

Members of winning teams are awarded miniature prizes with the organization being awarded a trophy. The women's teams yearly compete for the Sigma Kappa sorority trophy which is presented to the house compiling the most points through placing first, second, or third in team competition during the seasons.

Women's Sports

WOMEN'S RECREATION ASSOCIATION

President..... LOUISA WHITE
Vice-President..... BARBARA McCUTCHEON
Recording Secretary..... DOROTHY MULLAN
Corresponding Secretary..... MARILYN SACKS
Treasurer..... AIMEE LOFTIN

The Women's Recreation Association sponsors all women's athletic tournaments, playdays, and weekly after dinner dances. Under the direction of its adviser, Dr. Rachel Benton, this organization has developed steadily in the last few years.

During the past year WRA held competitions in hockey, bowling, basketball, volleyball, and badminton. The managers for each of these tournaments were appointed from the roster of the WRA. Teams representing all of the various sororities and women's dorms, as well as the daydodgers and faculty, are entered in these contests. All of the activities, with the exception of bowling, are carried on in both the Women's Field House and the Gym. The bowling tournament is played off at the University Bowling Alleys.

Two years ago the association developed a system whereby all games would be refereed by recognized officials. All women students interested in winning their officiating badge must pass a written as well as practical examination, prepared by the board, for each sport in which they wish to officiate.

Playdays are arranged whenever possible with George Washington University, American University, Hood College, and Maryland State Teachers' College.

Varsity "M" Association

<i>President</i>	WALTER FEHR
<i>Vice-President</i>	TOM CHISARI
<i>Secretary-Treasurer</i>	FRANCIS EVANS
<i>Historian</i>	BRYAN FENNELL

Maryland University's Varsity "M" Association was founded in 1942. The purpose of the Association is to foster better intercollegiate athletics and to sponsor intramural competition.

The Club serves as a medium for uniting male students who have similar interests and who desire to see the University outstanding in athletics.

In addition to providing judges and referees for intramural sports, the association sponsors campus dances and plays an active role in the annual homecoming event.

Membership to the Association is open to all wearers of the Varsity M.

Core of the active Maryland spirit is the battery of cheer leaders who conduct the Terp section in their songs and cheers. Although concerned primarily with promoting support for teams in action, the cheer leaders perform the task of instilling the traditional Maryland spirit throughout the student body. They are the organizers of the pep rallies and are responsible for teaching songs and yells to incoming freshmen.

The organization is divided into varsity and junior varsity groups, with one year's service on the JV required for varsity participation. Tryouts for the group are held at the beginning of each year.

SONGS

ALMA MATER

Words and music by Robert Kinney, '40

Hail! Alma Mater!

Hail, to thee, Maryland!

Steadfast in loyalty,

For thee we stand.

Love for the Black and Gold

Deep in our hearts we hold,

Singing thy praise forever,

Throughout the land.

SONS OF OLD MARYLAND

(Tune: "Sons of America")

Arranged by Harlan Randall

Sons of old Maryland,
Old Maryland needs you!
Stand by your colors, boys,
And to them e'ever be true!
Fight for old Maryland,
Old Liners! stand,
Defenders of the Black and Gold
Throughout the land.

U. OF M.

(Tune: "Caisson Song")

U. of M., U. of M.,
Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along—
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along,
(shout) Maryland! Maryland!
Keep that pigskin a-rolling along!

TERRAPIN DRINKING SONG

Words by A. Manley Powell, '41
Music by Wilmer Orpwood, Jr., '43
Drink to the Terrapin!
All bold hearted men.
We have no fear of hell,
For we're loyal sons and fellows.
Drink to the Terrapin!
May God bless her sons!
When the toast is in the cup,
Bottoms up! Bottoms up!
To Maryland.

VICTORY SONG

Words and music by Thornton W. Allen
Down on the field they're fighting,
Pride of the Black and Gold.
Men, every one of them,
Warriors of U. of M.
Our honor they'll uphold.
On toward the goal they're marching.
It will not take them long,
So, let's give a cheer,
For the men we hold dear,
And sing to them our Victory Song.

CHORUS

Maryland, we're all behind you;
Wave high the Black and Gold,
For there is nothing half so glorious
As to see our men victorious;
We've got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
(Shout) M-A-R-Y-L-A-N-D!
(Sing) Maryland will win!

THE OLD STONE WISHING WELL

Words and music by Milton S. Cole, '42

Down by the Old Stone Wishing Well,
We will meet again tonight;
There we will wander as they did in old times,
While the stars made the gateway a shrine.
Where the old covered wagon has been so many years,
It is there our hearts will lose all fears,
Down by the Old Stone Wishing Well,
It is there our every dream will come true.

MARYLAND! MY MARYLAND!

Words by James R. Randall

Arranged by Thornton W. Allen

(Tune: "O Tannenbaum")

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy beaming sword shall never rust,
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's warlike thrust,
And all thy slumb'ers with the just,
Maryland! My Maryland!

I hear the distant thunder hum,
Maryland! My Maryland!
The Old Line bugle, fife and drum,
Maryland! My Maryland!
Come! to thine own heroic throng,
That stalks with Liberty along,
And ring thy dauntless slogan song.
Maryland! My Maryland!
